DAY 1: ANCHORAGE

Welcome to the largest city of Alaska, most often thought of as the state's capital. Start off your vacation flying into stunning scenery overlooking the Chugach, Alaskan, Kenai, and Talkeetna mountain ranges. Although Mt. McKinley is only visible 20% of the year, there's a chance you could even catch a glimpse. Anchorage is Alaska's most populated area yet it's shared with the likes of bears, moose, and wolves. After your flight into this urban wilderness, make your way to our accommodations for the 6 pm pre-departure meeting followed by a group meal. Take this evening to get to know your fellow travelers and guides.

Included: Anchorage accommodation, Welcome Meeting

Optional Activity before tour: Full Day World Famous Brooks River Alaskan Brown Bear Viewing, Katmai National Park. \$650-850, Anchorage City Tour (49\$, 3hrs)

DAY 2-4: DENALI NATIONAL PARK

In the morning we head off to the amazing Denali National Park. Whether it's flora or fauna you came to see, this is the place to fulfill your hopes of seeing large and small wild animals living as they have for ages. We set

up our campsite and the following two days you will have the opportunity to take a bus ride through the national park along its only road and hopefully spot bears, moose, caribou, or wolves. For those of you who are looking for a heart pounding and more strenuous adventure, you'll have the opportunity for trailblazing throughout the park's 6 million acres. No trip would be complete without adding the optional activity of flying over Denali National Park and around Mt. McKinley (20,320 ft/6194 m.) In the evenings we will sit around the campfire, listening to the sounds of the night and telling our adventures of the day.

Included Activities: 2-Day National Park Entrance and Shuttle Bus services, Hiking in Denali National Park (short, long, off the beaten track, that's on you to decide!)

Optional Activities: Flights over Mt. McKinley \$210-320 plus \$75 for glacier landing (1-1.5 hrs plus additional time glacier landing)

Rafting Nenana River \$90-190 on whitewater or gentle float (2 hrs to all day)

Day 5-6: MACLAREN RIVER LODGE

From Denali, we drive the lightly traveled Denali Highway. First opened in 1957, this dirt road was the first to access Denali National Park (then known as Mt. McKinley National Park.)

Located in the Maclaren river valley, you traverse through high alpine country on the state's second highest highway pass. Here lies the Maclaren River Lodge run

by Alan and Susie, who are fantastic hosts that will take us on a boat ride up to "The Glacier Camp." Now we're out in the wilderness on our own, no mobile phone reception and no roads. Here we'll stay overnight exploring and camping out underneath the stars. The next morning we'll take a casual canoe trip back down the river for our next night at this beautifully situated lodge. While most of us will spend the rest of the afternoon relaxing, some might want to try their luck in fishing, catching our dinner? (one night bushcamp)

Included Activities: Boat Ride up to Glacier Camp, guided overnight stay at Glacier Camp sleeping under the stars, canoe trip on Maclaren River

Optional Activity: Fishing (pricing to be determined on number of people)

Day 7-9: WRANGELL/ST ELIAS NP

Here we'll Visit the largest national park in the United States and camp at the "End-of-the-road" campground. Literally at the end of the McCarthy Road, these 60 miles of gravel road were built along the old Copper

River and Northwestern railways. Most remnants left of this once thriving area were a part of the copper mines, but most people forget this was where the last great gold rush happened in Alaska. There are many optional activities like hiking, ice climbing, glacier walks, guided mine tours, rafting, and scenic flights around 16,000-foot peaks, 25-mile long glaciers and massive icefalls. So, days 16 and 17 are left for you to decide what to do: Take the optional historical tour and get carried away by the gold rush, hike on your own in the beautiful surroundings or try some crazy outdoor stuff like ice climbing, guided glacier hikes, or whitewater rafting. (Bushcamp)

Included Activity: Hiking, Scenic Drive

Optional Activities: Ice Climbing \$125 (full day), Root Glacier Hike \$70 (half day) \$100 (full day), Three Rivers Raft/Fly-in \$285 (6-8 hrs), Kennecott History Tour \$25 (2.5 hrs)

Day 10-11: VALDEZ

Valdez is the terminus of the 800-mile trans-Alaskan pipeline that begins at Prudhoe Bay, Valdez is an important gateway to the interior of Alaska.

Valdez was brought to the forefront of national media March 1989. The Exxon Valdez ran aground causing an 11-million gallon oil spill. For many years, flora and fauna were devastated by this

environmental catastrophe. Thankfully, order has been restored and the Chugach Mountains set a gorgeous backdrop to this quaint little town. When we arrive in the afternoon you will find fantastic hiking opportunities just a short walk from town. If you are tired of hiking there is enough to explore in the history-filled little town. The next day is focused on optional activities. Highly recommended is the Columbia Glacier Sea Kayaking for it's beautiful scenery, mammoth icebergs and possibility of spotting all kinds of wildlife.

In the evenings we will venture out and see if we can find some bears feeding on salmon. Valdez is well known for bears to come to the local salmon fish hatchery and the surrounding creeks.

Included Activities: Hiking and Scenic Drive
Optional Activities: Glacier/Iceberg Sea \$250, Glacier Wildlife Cruises \$105 (half day)

Day 12: ANCHORAGE

Unfortunately we have to turn our back on you and leave you to your own devices. But not before we crossed Thompson Pass with stunning views on Worthington Glacier. Our lunch stop will be at Matanuska Glacier before returning to Anchorage in the late afternoon.
