DAY 1: ANCHORAGE

Welcome to the largest city of Alaska, most often thought of as the state's capital. Start off your vacation flying into stunning scenery overlooking the Chugach, Alaskan, Kenai, and Talkeetna mountain ranges. Although Mt. Denali is only visible 20% of the year, there's a chance you could even catch a glimpse. Anchorage is Alaska's most populated area yet it's shared with the likes of bears, moose, and wolves. After your flight into this urban wilderness, make your way to our accommodations for the 6 pm pre-departure meeting followed by a group meal. Take this evening to get to know your fellow travelers and guides.

Included: Anchorage accommodation, Welcome Meeting
Optional Activity before tour: World Famous Brooks River Alaskan Brown Bear Viewing, Katmai National Park. (Month of July) Bear flights in other months will go to

Day 2-4: SEWARD

Located on the east side of the Kenai Peninsula and Resurrection Bay, Seward is known as the "Gateway to Kenai Fjords National Park." Seward is about half day drive from Anchorage. In the afternoon you will have some free time to explore the scenic waterfront of Seward.

The following morning we will experience the national park by boat, cruising among the glaciers and wildlife. After hopefully spotting as much wildlife as possible we will be seeing a calving glacier!

A visit to Seward would not be complete without hiking alongside the picturesque Exit Glacier with a probability seeing a few of the local black bear feeding on some berries. The 8.2-mile round trip up to the Harding Icefield is a spectacular yet strenuous day hike. Starting on the valley floor, the trail winds through cottonwood and alder forests, passes through heather filled meadows and ultimately climbs well above tree line to a breath-taking view of the Harding Icefield. The top of the trail is a window to past ice ages - a horizon of ice and snow that stretches as far as the eye can see! If you don't feel prepared to do the full 8.2-mile roundtrip, there are shorter options with equally breathtaking views available.

Included Activities: Kenai National Park Entrance, Kenai Fjords National Park Wildlife cruise, Calving Glaciers, and Hiking Exit Glacier

Optional Activity: Kayaking, Fishing

Day 5: HOMER

Located on the western side of the Kenai Peninsula and Kachemak Bay, Homer is the launching point for our two-night Adventure Camp. But, don't overlook this artist inspired town with its many galleries along the spit. You will have some time to explore the picturesque town and its fishermen culture. For example, the Salty Dawg Saloon's lighthouse is a great place to sit belly-up to the bar along with posting your dollar bill on the

ceiling or wall so that your friend, who will be by later, will have a drink on you.

On the way to Homer there will be enough time for some scenic photo stops and short walks. Depending on the time of the year we might stop to watch the Salmon Running up Russian River or visit one of the Russian orthodox churches overlooking the volcanoes on the other side of the bay.

Included Activities: Exploring the picturesque town of Homer and its fishermen culture

Optional Activities: "Halibut Fishing Capital of the World", Bear Viewing Katmai or Lake Clark **Following morning**

Day 6-7: ADVENTURE CAMP

Take a boat ride from Homer to Kasitsna Bay, landing on this lovely and relatively untouched beach of the peninsula. You will be sleeping in tents close to the beach and there is a beautiful beach house with huge windows and coffee/tea on tap. From there venture out and comb the beaches for eagles and other

aquatic wildlife or walk to find some hidden coves and viewpoints. The next day you'll have a half day of sea kayaking around Kasitsna Bay, frequently visited by sea otters and harbor seals and watched overhead by bald eagles.

One of the evenings we will be serving a salmon dinner!

Included Activities: Water Taxi from and to Homer (1/2 Hour ride), 2-night stay at the Adventure Camp, half-day sea kayaking Kasitsna Bay, salmon dinner

Day 8: HOPE

In the morning we will take the water taxi back to Homer to make our way along the coastline to Hope. Hope is a quaint little town overlooking Cook Inlet/Turnagain Arm and is just a short drive from Anchorage. In the summer during weekends

there might be some live concerts going on in the local fishermen bar. (Bushcamp)

Included Activity: Open Air Museum, Outdoor Music

Optional Activity: Historic Museum

DAY 9: ANCHORAGE

Today it's only a short drive around the Turnagain Arm back to Anchorage. Potentially you can see Beluga Whales or Dall Sheep. We will stop at Potter Marsh to spot some of the migratory birds and

wildlife that call it home. The afternoon you will have time to explore Anchorage downtown. Anchorage is a lively city that houses almost 50% of the state's 730,000 people. (Commonly it is mistaken for the capital of Alaska, but that would be Juneau.) Throughout the summer there are multiple festivals, local markets and plenty of nightly live music. Keep in mind that this city is situated right in the heart of the wilderness, where over 1,000 moose, 250 black bears, and 100 grizzly bears also call it home.

Included Activities: Potter Marsh

Optional Activity: Anchorage Museum, Heritage Center, Bike Coastal Trail
